

## **Artistic Filters**

**Download and open the Venice image. Transform the photograph into a work of art! Your final image should look like a painting, drawing, etc.**

- **Create a duplicate background layer (10 pts.)**
- **Use a minimum of 3 filters (30 pts.)**
- **Use an adjustment layer (10 pts.)**
- **Use a minimum of 3 painting tools (30 pts.)**
- **You will be also graded on the “realism” of the painting (20 pts.)**
