

Final Project

Create a vacation brochure to encourage tourists to visit a unique and exotic location.

Tasks that must be included:

- Text with added effects
- Use a minimum of 6 images in the collage
- Insert or create a background image
- Rename each layer
- Use paintbrush tool
- Use blur, dodge, sharpen, smudge, and/or sponge
- Use a photo effect (artistic, stylize, etc.)
- Use a mask
- Use a mask clipping
- Use a color adjustment layer
- Create a border using a mask along with the brush or shape tool

You will also be graded on the following:

- Creativity
 - o Use effects not required in the above list
 - o Demonstrate experience with other tools
 - o Exceed the minimum image requirements listed above
- Image quality
 - o Appropriate brightness, saturation, etc.
 - o Edges of image (smooth edges, no background color, etc.)
